# What are houses made of

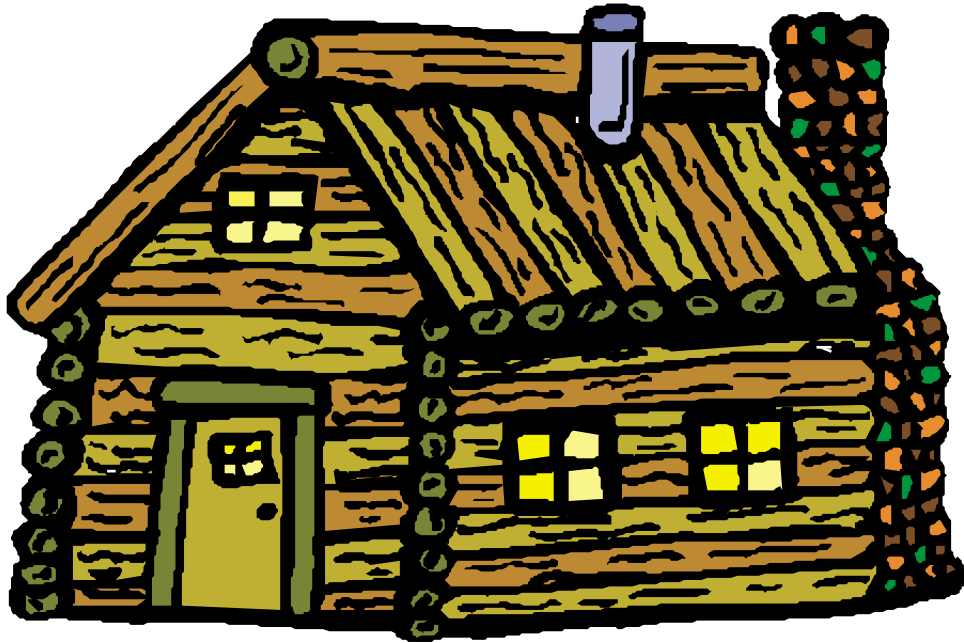

Trish Dibb , Li Changfang, LiChangzhen

Houses can be made of many things.

Some houses are made of bricks.

Some houses are made wood.

Some houses are made of stone.

Some houses are made of mud.

Some houses are made of sticks.

Some houses are made of fabric.  
These are called tents.

Some houses are even made of snow.  
These are called igloos.
